

To: Members of Aluminium Stockholders Association

From: Will Savage

Subject: SPARKS Golf Day, 12 August 2010

This year's SPARKS Golf Day will be held at Dyrham Park Country Club, Galley Lane, Barnet, Herts on Thursday 12 August 2010. The host will once again be Matt Le Tissier, the former Southampton and England footballer.

The cost per team will be £675 and the ASA is aiming for at least 24 teams to compete. Consequently, we are asking each ASA member to consider if they would like to enter more than one team.

Each player will receive a welcome pack.

There will be advertising and sponsoring opportunities at this high profile event. Details will be announced later.

We are now asking member companies to give an early indication of their intention to participate. ASA member companies will have priority but, in order to maximise the participation, the ASA may later invite companies from other Aluminium Federation Association Members. The ASA SPARKS Golf Trophy will be awarded to the best ASA member team. Buggies are available on a "first come, first served" basis. Please advise us if one is required.

Non-golfing ASA members are welcome to participate in this event for a cost of £40 each.

Following the successful auction in 2009, suggestions and offers of prizes would be welcome.

We attach a registration form for this event and we would appreciate its early return to the ASA Secretariat.

We do hope that you will be able to support the Sparks charity by entering one or more teams. Like many other charities, Sparks is suffering from the current economic downturn and would greatly appreciate your help and support.

If you require any further information, please contact Ian Hunter of Doré Metals on 0781 0826 250.

We look forward to hearing from you.
