

From Bauxite to Aluminium - The Production Process

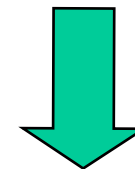

4 to Bauxite

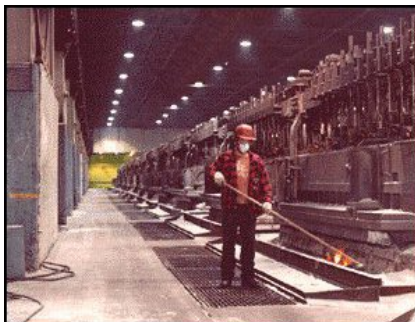

+ Pressure
+ Temperature

2 to Aluminium Oxide

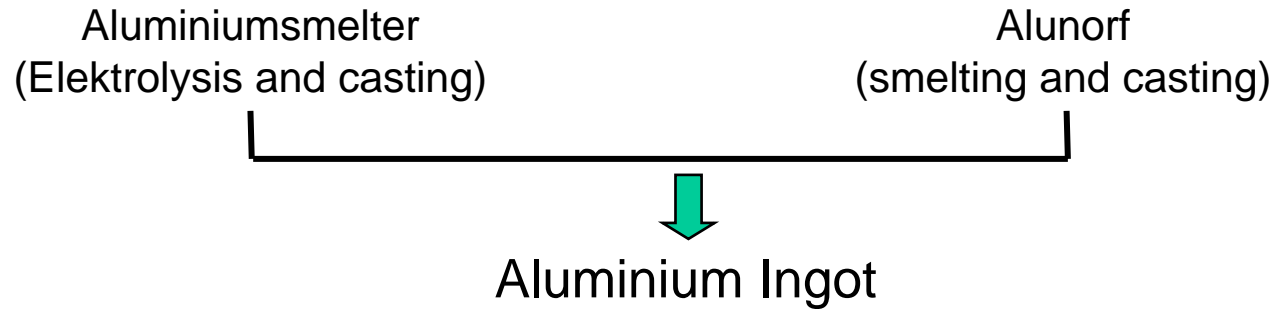

- Elektrolysis

1 to Aluminium

From Bauxit to Aluminium - The Production Process

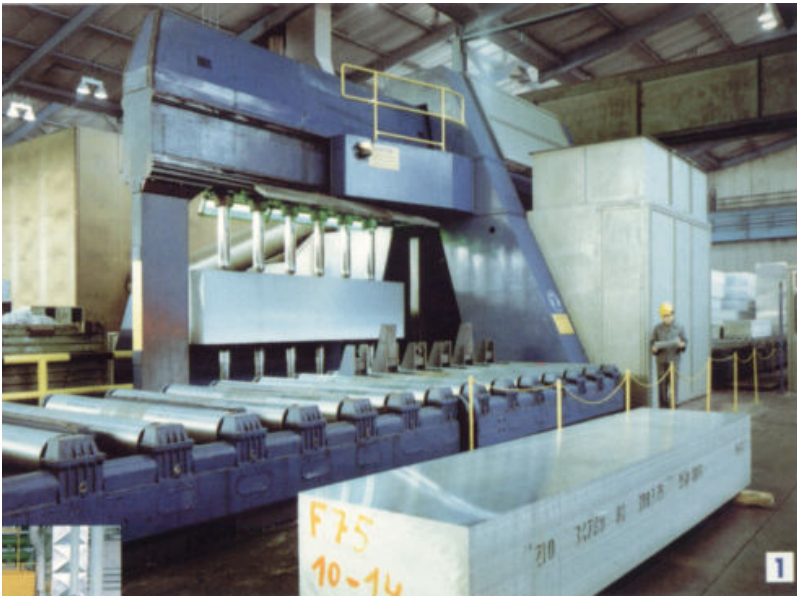

From fluid Metall to Rolling-Ingot

From Bauxite to Aluminium - The Production Process

Process on the Aluminium Ingot

Sawing and milling

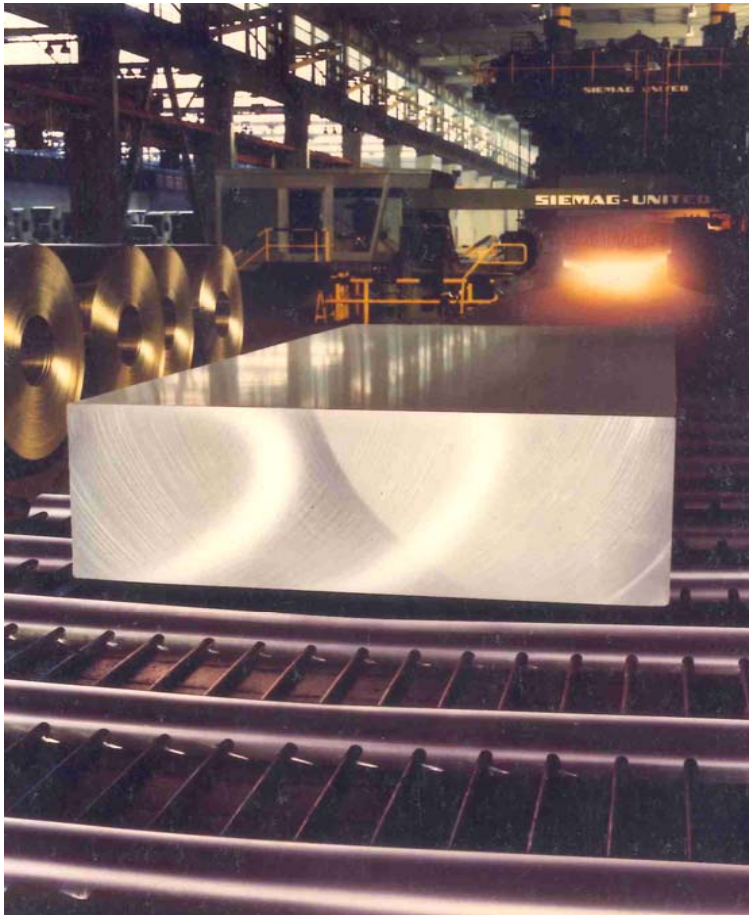

Heat-treatment

From Bauxite to Aluminium - The Production Process

Rolling (Alunorf)

From Bauxite to Aluminium - The Production Process

Rolling process (hot-rolling)
